Positioned in one of the fastest-growing coastal destinations in Europe, this 5-star hotel development in Batumi presents a rare opportunity to secure a high-performing, income-generating asset within a fully managed hospitality environment.

Designed to meet international standards, the project blends luxury living with a professionally operated hotel model—driving strong year-round occupancy and consistent rental performance without the need for hands-on management.

Residents and guests enjoy a full suite of resort-style amenities, including indoor and outdoor swimming pools, a spa and wellness centre, fitness facilities, fine dining restaurants, rooftop bar, casino, conference hall, landscaped gardens, and a private beach. Every detail is built to enhance guest experience and maximize occupancy potential.

Backed by a globally recognized hotel operator, the development benefits from an established international booking network—ensuring steady guest flow and optimized returns.

Flexible, investor-friendly payment terms are available, including a low 10% entry and interest-free installment plans. With zero maintenance fees, investors retain more of their net income—making this a highly efficient, yield-focused asset.

Located in Batumi—widely recognized as a rising investment hub—this development is supported by a favorable tax environment, strong infrastructure growth, and sustained tourism demand.
