Strategically located between the beach and downtown Tulum, the property combines luxury accommodations, wellness-focused services, and flexible ownership options for investors.

The hotel includes a variety of upscale room types, such as Luxury Suites, Deluxe Penthouses, and King Rooms, many featuring private pools and outdoor terraces. All units are outfitted with air conditioning, bathrobes, rainfall showers, Smart TVs with streaming access, and complimentary high-speed WiFi.

Guests enjoy access to two outdoor pools with sun loungers, two on-site restaurants, a full-service spa, a business center, and complimentary continental breakfast. Additional services include concierge support, bike rentals, coworking spaces, and multilingual staff.

Of the 25 total rooms, 11 are titled condo units offering full ownership rights.
