This new development with modern architecture and design, will consist of 104 dwellings, divided between 8 blocks of 3 floors, with large leisure areas and a communal swimming pool.

The apartment stands out for its modernity, functionality and comfort, featuring practical and elegant interiors, designed for everyday life with refinement.

The kitchen, fully equipped with built-in appliances from the Teka brand, includes an induction hob, oven, microwave, extractor fan, refrigerator and dishwasher, ensuring maximum comfort in the preparation of meals, and a laundry area.

One bedroom and suite with private bathroom, built-in closet and access to outdoor balcony. A second bedroom with built-in closets. A common bathroom.

For an always pleasant environment, the pre-installation of air conditioning in the living room and bedrooms is planned, complemented by an efficient heat pump system for water heating.

On the balcony, generous and designed for the enjoyment of the outdoor space, there is a gas barbecue integrated into a stainless steel unit, which includes a sink and burner, with the gas bottle carefully housed under the furniture, a practical and elegant solution for outdoor leisure moments.
