28 exclusives apartments.

Its prime location combines proximity to the sea and golf, along with a wide range of services, making it the perfect place to enjoy the Costa del Sol in a modern, comfortable, and well-connected setting.

All units are equipped with underfloor heating and have been designed to make the most of natural light, featuring spacious interiors and large windows that flood every room with brightness and color. The materials selected ensure quality and comfort in every detail. As a major new feature, this phase also includes for the first time 3-bedroom homes, ideal for those seeking extra room and comfort. Every room in this new layout has been carefully oriented to capture as much natural sunlight as possible, creating a warm and inviting atmosphere throughout the day.

Additionally, the lowest-floor apartments are uniquely elevated to 9 meters above street level, providing the safety and panoramic views typically found on a fourth floor, even from the lowest level.
