Located on Drymades Beach the Drymades Village holiday resort consists of a series of terraced courtyards framed by architecture that weaves the project into a cohesive village feel.

Following the topography with a height difference of 15 meters the architecture articulates the ground levels with stepped courtyards bringing an introverted feel while on the top three floors the units include extended terraces and balconies expanding public life to all levels.

Ideal investment and vacation opportunity in one of the most sought after areas of the coast.
