Açıklama:

Discover this rustic-style 3 bedroom villa, located in a privileged location in the center of the city of Porto Santo, with a pleasant sea view.

The main villa consists of three large and bright bedrooms, providing comfortable spaces for the whole family. It also has a bathroom, a cozy living room, a functional kitchen and a laundry room, offering all the necessary conditions for a practical and peaceful life.

The house has a rustic and cozy atmosphere, ideal for those who value the traditional character of a house and are looking for a space with its own identity. Its location allows you to enjoy the proximity of the main services and amenities, while still benefiting from the tranquility and surroundings of Porto Santo.

Another of the strengths of this property is the garage, which has the potential to be transformed into an independent 1 bedroom villa. This area can be used to receive family or friends with greater privacy, create an independent space for someone in the family or, eventually, be monetized through rental.

With a central location, good interior spaces, sea views and several possibilities of use, this villa represents an excellent opportunity for those looking for a house in Porto Santo with the potential to adapt to their needs.
