Step into the charm of old Lagos with this beautiful 4-bedroom villa, ideally located in the heart of the historic centre.

Situated within the original city walls, the property is surrounded by the character and atmosphere that make Lagos so special. The marina, restaurants, cafés, shops and everyday services are all just a short walk away, while the popular beaches of Praia da Batata and Praia D. Ana can also be reached within minutes on foot.

The villa is arranged over two floors, offering a practical layout with plenty of natural light. On the ground floor, there is a living room, kitchen, bathroom and one bedroom. The upper floor features the remaining bedrooms, together with a balcony offering views across the traditional rooftops and historic streets of the city.

With excellent sun exposure throughout the day, the property feels bright and welcoming while retaining the authentic character of a traditional Algarve home.

Its central location and versatile layout make this villa an excellent choice for a variety of purposes whether as a permanent residence, a holiday home or an investment with strong rental potential.
