Açıklama:

Set in Boliqueime, this attractive 4-bedroom villa with private swimming pool offers generous indoor and outdoor living in a convenient central Algarve location. Built over two floors plus a basement, the property has a build area of approximately 115 m² and sits on a 485 m² plot. With several outdoor seating areas, a BBQ space, garage and excellent access to local amenities, it is well suited to both permanent living and holidays in the Algarve.

The ground floor comprises a comfortable living and dining area with a wood-burning fireplace, a fully equipped kitchen and one bedroom, currently arranged as a home office. Upstairs are three further bedrooms, including an en-suite principal bedroom, while the remaining two bedrooms share a family bathroom. Air conditioning throughout the property provides additional comfort during both the warmer and cooler months.

The basement adds valuable additional space and includes a garage, laundry area and a surprise feature that gives this level an unexpected extra dimension. Outside, the private swimming pool forms the centre of the leisure area, complemented by different terraces and seating spaces for relaxing, dining and entertaining. A built-in BBQ further enhances the outdoor lifestyle, while supermarkets and Boliqueime village can be reached on foot.
