Açıklama:

An authentic stone house is for sale in the village of Lukoran, located on a 135 m² plot of land, while the house itself covers 300 m². Built from old, high-quality stone, this property exudes character and tradition.

The house is in need of complete renovation, giving you the freedom to turn it into the perfect home according to your own vision.

There is also a private parking space, which is always a great advantage on the island.

Situated in a quiet and populated part of the village, surrounded by silence and a Mediterranean atmosphere, and just 2 kilometers from the sea – close enough for enjoyment yet far enough to maintain privacy and peace.
