Townhouse in good condition, distributed over three levels, located in a well-maintained residential complex.

The property features a spacious solarium on the third level. A small glazed winter-garden area provides additional protection from wind and rain, allowing the outdoor space to be enjoyed throughout the year. One of the main highlights is the beautiful, far-reaching views. There are no houses directly in front of the property blocking the view, providing a pleasant and open panorama from the upper level.

There is ample parking available directly in front of the property on the communal areas of the residential complex, offering convenient and easy access.

An attractive property with a practical layout over three levels, beautiful open views, a spacious solarium and convenient parking right outside the house.
