PIAR
TROPICAL LIVING
THE PARADISE YOU WERE LOOKING FOR
Experience tranquility and natural harmony with the best commercial educational and entertainment services of one of the safest cities in the country just moments away.
Enjoy living in a vibrant community reflected in a large green corridor that runs throughout the development. It's time to start discovering the array of cultural culinary and adventure experiences that only Yucat n can offer.
Discover the place that will immediately connect with your needs thanks to its strategic location north of the white city being the midpoint between the Yucatecan coast and the city of M rida with a direct exit to the highway in Tamanch .
Piar is a premium project with 226 residential lots planned for families who want to find the essence of a community in the perfect place immersed in vegetation where they will begin to build a lifestyle enveloped in the serenity of a tropical environment.
This development features 24 7 security underground wiring and cobblestone streets which complement the functionality of this unique residential community.
Discover details that increase the value of your investment as Piar features a signature urban design by renowned architect Seijo Pe n who together with our developer EME DOS seeks to adapt well being to each of the spaces in the environment composed of 226 lots of up to 558.93 m2 where lush nature and security will merge to be part of new moments.
Lookout
The viewpoint where residents can uniquely observe each sunset and the community.
El Cenote Pool

A body of water with a 25 meter swimming channel surrounded by vegetation that is complemented by a sun lounger area to feel and enjoy the sun.
