VERSATILE WAREHOUSE | GOOD LOCATION | EASY ACCESS | IDEAL FOR BUSINESS, WORKSHOP OR STORAGE

Are you looking for a spacious and functional warehouse to establish or expand your business? This property offers an excellent opportunity for companies looking for a good location, easy access and versatile usage possibilities.

The warehouse benefits from good access and allows the entry and manoeuvring of trucks and concrete mixer trucks, making loading, unloading and the movement of materials considerably easier.

Thanks to its characteristics, the property can be suitable for a wide range of professional activities, including carpentry, joinery, metalwork, welding, mechanics, maintenance, repairs, assembly, logistics and material storage, as well as other activities requiring a spacious and functional working environment, subject to the applicable regulations and permits.

It is also an excellent option for companies looking for storage or stock space, providing room to store materials, tools, machinery, goods, spare parts or other equipment required for day-to-day business operations.

The possibility of access for large vehicles is a significant advantage for businesses that regularly need to receive or transport materials, making daily logistics, loading and unloading operations easier and more efficient.

The versatility of the space allows it to be adapted to the specific requirements of each business. Depending on the permitted use, it could serve as a warehouse, workshop, workspace, production area, logistics facility or storage centre.

Whether you are looking for a place to establish your company, expand your operations, increase your storage capacity or create a dedicated space for materials and equipment, this property offers excellent potential.
